

Introducing SaniDate Activated Peroxide Sanitizer

SaniDate Ready to Use FRUIT AND VEGETABLE WASH

Naturally Sanitize with Every Spray!

New SaniDate® Ready to Use Fruit & Vegetable Wash is the only organic, EPA registered sanitizer on the market. With its activated peroxide technology, SaniDate Fruit & Vegetable Wash actually stops food borne illnesses, spoilage and decay in fruits and vegetables. Add life to your food when you get home from the market.

SaniDate RTU Fruit & Vegetable Wash

- ✓ Kills E. coli and Salmonella on Contact
- ✓ Keeps Fruits and Vegetables Fresh Longer
