

GreenClean® POND BLOCK

Contains a blend of beneficial bacteria and enzymes for natural pond balance, clarification and maintenance

- Reduces pond sludge, turbidity and nutrients
- Naturally breaks down organic waste and reduces available phosphorous
- Contains multiple, naturally occurring, non-engineered highly stabilized Bacillus strains
- Easy to use, slow release formula lasts 30–60 days

APPLICATION DIRECTIONS: One GreenClean® Pond Block will treat up to 5 acre-feet of water for 30–60 days. Apply blocks in early spring when water temperatures reach 50°F or higher and continue to use until average water temperature drops below 50°F in winter. For best results place or suspend GreenClean Pond Blocks in areas of water movement or aeration to increase the dispersion of beneficial bacteria throughout water body.

To suspend GreenClean Pond Blocks and increase the mixing of the product into the water column, place block in mesh sock provided. Suspend or anchor near an aerator, fountain, feeder streams or other areas of water flow. Remove mesh sock from pond once block dissolves.

STORAGE AND HANDLING: Store in a cool location. Do not freeze.

WARRANTY: BIOSAFE SYSTEMS warrants that this product conforms to the description on the label and is reasonably fit for the purposes stated in the Application Directions, subject to the inherent risks referred to above when used in accordance with directions under normal use conditions. This warranty does not extend to the use of the product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to or beyond the control of Seller or BIOSAFE SYSTEMS, and Buyer and User assume the risk of any such use. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BIOSAFE SYSTEMS MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE, NOR ANY OTHER EXPRESSED OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

Contains proprietary blend of beneficial bacteria and surfactants:

WARNING

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Harmful in contact with skin. Harmful if contact with eyes.

PRECAUTIONARY STATEMENT: Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/eye protection.

If swallowed: Rinse mouth. Do NOT induce vomiting. **If on skin (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor.
